II Timothy 2:15 - "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." KJV

THE HYBRID-VIRTUAL PROGRAM

The Bible Centres is designed to equip men and women for ministry as servant leaders in the body of Christ and the world at large through being a community that is committed to Scripture, academic excellence, spiritual formation, and practical training. Our motto is: "The environment where those who minister get ministered to" We are proud to offer you online space where the student and teacher can work simultaneous toward your goal.

As hybrid-virtual learner, you will have a variety of tools for learning content in different formats, as well as we look to implement collaborative and individual activities. In this type of interaction, our instructors will have the particularly important role as a moderator to guide you through the learning process and supports group activities and discussions.

The most common tools we will use for the virtual classroom are:

- Videoconferencing
- Online whiteboard for real-time collaboration
- Instant messaging tool
- Participation controls
- Breakout rooms (As needed)

Our virtual classroom will provide an abundance of opportunities, especially when combined with self-study platforms (learning management systems) or when used in addition to traditional classroom learning activities. Unlike asynchronous learning environments, the synchronous the virtual classroom also allows for instant feedback, direct teacher-student interaction, and engaging activities to increase motivation and active participation. Immediate communication favors relationship building within the group, as well as a sense of community.
